Magistrate McCutchen reported that AAA Systems will check the pre-wiring for the fire alarm installation as soon as they're notified to do so. Judge Henderson indicated that Thurman Electric is prepared for that review.

County Attorney Sam Phillips asked that Fiscal Court prepare to move forward with the proposed property maintenance ordinance with first reading at the July 20th meeting. Magistrate Randolph questioned the means of enforcement for this ordinance. The ordinance draft offers suggestions for its enforcement including code enforcement officers and an appeals board. Phillips suggested that the purpose of the proposed ordinance is not necessarily to look for problems but to be reactive to complaints.

Motion by McCutchen Second by Chandler Ayes-All
 Adjourn. (8:55AM)

JIM HENDERSON
 COUNTY JUDGE EXECUTIVE
